Holy Land – we wish a safe journey to all who are going to the Holy Land this week.

We welcome Fr Noel who will be spending this week in the parish.

Half-Term this week, we wish all our schools a restful break.

75th Anniversary – As part of our 75th year, parish organisations are invited to submit a brief account of their work and when they meet at St Teresa's. Details should be sent to the parish office by organisation leaders for inclusion at some point across the year.

Justice and Peace – “We cannot do everything and there is a sense of liberation in realising that. This enables us to do something, and to do it well. It may be incomplete, but it is a beginning, a step along the way, an opportunity for the Lord's grace to enter and do the rest. We may never see the end results, but that is the difference between the master builder and the worker. We are workers, not master builders; ministers or messiahs. We are prophets of the future not our own”. – Bishop Ken Untener. **What we have done** – The main focus of the Group in recent years has been to raise awareness of trade injustice, raising money to help those working to support the homeless in our local community and organising Christmas lunch for the vulnerable and elderly in the parish.

Meetings – We meet once a month in the parish centre, details of times and talking points are published in the newsletter. Our discussions are inspired from the Bible and we review the challenges and opportunities we face in our quest to do whatever possible for justice. To find out more about the Justice and Peace group come along or phone Marion Akuamoah 07788 262698.
